# PAINT OPTIONS

## FOR REUSABLE STENCILS

### **SHERWIN-WILLIAMS PAINT & SUPPLIES**

**Make your stenciling project easy by purchasing Sherwin-Williams paint and supplies directly from Fit & Fun Playscapes!**

This is a liquid paint option that is in cans that get applied with rollers and/ or brushes. Gallon cans includes containers of paint, slip-resistance additive for large patterns, paint brushes and/ or rollers, plastic sheeting, and paint cups and/ or trays. Paint is matched to the colors and pattern(s) shown for each particular stencil and it typically includes FREE hand-delivery to your location by one of over 4,000 Sherwin-Williams store locations across the United States!

### **SPRAY PAINT**

**Your stenciling project just became more economical by ordering spray paint!**

This is a commercial-grade, high quality aerosol form of paint that comes in cans and is sprayed. Fit and Fun Playscapes has created spray paint kits that are pre-calculated to match the stencil pattern shown. No supplies are provided in order to make this as economical for our customers as possible.

### **POURED-IN-PLACE PAINT**

**Update rubber surfacing with our stencils and paint!**

Fit and Fun Playscapes now can provide paint for poured-in-place, rubber surfaces by special order. Contact us to learn more.

# ROLL-OUT ACTIVITIES®

Bring engaging sensory, physical, and social activities just about anywhere with our Roll-Out Activities®. These mats are portable, easy to use, and made with high-quality, commercial-grade PVC material that is reinforced for stability and durability. Durable, and easy to clean and store. Custom service available. Printed in the USA.
