

# Lyrics for Playing in the Ocean Cognitivites™

## Sing to nursery rhyme: The Mulberry Bush

We are swimming with dolphins, with  
dolphins, with dolphins  
We are swimming with dolphins, we're  
playing in the ocean  
The dolphins dive in way down deep, way  
down deep, way down deep  
The dolphins dive in way down deep,  
we're playing in the ocean  
The turtles ask if they can play, they can  
play, they can play  
The turtles ask if they can play, we tell  
them come along  
We float like turtles and dive like dolphins  
We float like turtles and dive like dolphins  
We float like turtles and dive like dolphins  
Today we are bright as the sun
