

# Lyrics for Riding on the Train Cognitivites™

**Sing to nursery rhyme: Twinkle, Twinkle, Little Star**

**Climb aboard the train today  
See your friends they're ready to play  
Catch the city lights sparkling above  
Ski down the snowy hills, there soars a dove  
We're riding on a train with glee  
Dreaming of the journey, so much more to see**

**We climbed aboard the train today  
Our kind friends were ready to play  
Unicorn, Dinosaur, and Koala  
We all danced as our hearts filled with joy  
We're riding a train with glee  
Dreaming of the journey, so much more to see**
