

SS 7169 - ALPHABET SING-A-LONG APPLICATION GUIDE

SIZE:

approx. 16 feet wide by 3 feet tall

FINISHED WALL:

We suggest using a tape measure for the correct spacing of the musical elements

START! HERE!
Lay out in NUMERICAL order, starting with 1 and ending with 16

We recommend starting approx. 36 inches off the floor (This may vary depending on age and abilities)

HINT: Make sure the bottom edge of the "A B" segment is level

Reference this 12" x 12" grid to assist laying out the entire graphic
